

ARIADNE

NAICS Codes:

- 541511 - Custom Computer Programming Services
- 541512 - Computer Systems Design Services
- 541711 - Research and Development in Biotechnology
- 541990 - All Other Professional, Scientific, and Technical Consulting Services

GSA IT Schedule 70

Contract Number: GS-35F-0103X

SIN Numbers:

132-51 - Information Technology Professional Services

NIH BPA:

Contract Number: HHSN263201100048B

DUNS Number: 118057202

CAGE Code: 47MJ7

Small Business

Biomedical IT Services & Software Development For Life Science Applications

Founded by experts in computational biology in 2002, **Ariadne** brings deep experience in high-throughput informatics and software design for life sciences research applications along with bench-level biological and software engineering expertise. **Ariadne** has a history of outstanding performance providing biomedical IT Services and Software Solutions to government and commercial customers. We have maintained strong and long lasting

relationships with our customers, vendors, and staff. **Ariadne** has provided strong performance in all contracts, implementing leading edge capabilities, and successfully managing the staffing, technical performance, cost, and schedule. Customer satisfaction with our work is demonstrated by repeat and increasing business, recognition and awards from customers, and by the demonstrable success of our products and services.

Capability

- High-throughput Informatics
- Bioinformatics
- Computational Biology
- Text Mining
- Data Analysis
- Database Design
- SQL Programming
- Web Application Development
- Project Management
- C, C++, Perl, Python
- XML, XSLT
- Linux, Windows, Mac
- Scientific Programming
- Systems Design, Analysis and Integration
- Software Development and Engineering

Exceptional Service

Our team members were presented with Multiple Special Act/Service Awards from NLM/NIH for five successive years, in recognition and appreciation of Exceptional Service and Outstanding Level of Dedication as signed by Director of NCBI David J. Lipman, M.D.
